Dear Judge Rendahl and Ms. Rulkowski:

ATTY GEN DIV
WUTC

I no longer live in Washington State. Instead, I am working out of the country for a few months with a new business. It would be a great inconvenience for me to attend a hearing in Olympia in June.

More importantly, as the UTC is aware, All My Sons Moving & Storage of Seattle, Inc. is in the final stages of liquidating. The claims against the corporation will be in excess of the liquidation proceeds.

Although I registered Seattle's Best Pack & Load, Inc. and Washington Truck Rentals, Inc. with the Washington State Secretary, these companies are no longer engaged in business and are in the process of formally withdrawing their qualification to do business in the State of Washington and being liquidated. They are not seeking any permits at this time.

Accordingly, I do not believe that a hearing would be useful or accomplish your purposes at this time. I am giving you this advanced notice to let you know I cannot be there on June 24, 2009.
